

Aurora Fitzsimons Rotary Club

Aurora, Colorado

April 2006

In the two short years that the Aurora Fitzsimons Rotary Club has been in existence, our members have participated in the following projects.

LOCAL

- “Flower Power” for the Colorado State Veteran’s Home and other nursing home residents
- A literacy project distributing dictionaries to 3rd grade students in Aurora Elementary Schools
- Along with the Gateway and Aurora Rotary Clubs, provided coordination and staffing of “Shots for Tots” in Aurora
- “Build a House” day with Habitat for Humanity
- With the Native American Women’s Empowerment Project, provided food and clothing for a single mother with eight children
- Worked with the Comitis Center, providing Katrina disaster relief by collecting clothing, food, emergency equipment and assisting in the loading of trucks
- With the Denver and South East Denver Rotary Clubs, provided funding for 10 International Health Scholarships for students at the University of Colorado Health Sciences Center
- Planning, organizing and publicizing a May 11th seminar on Global Polio Eradication at the Fitzsimons campus of the University of Colorado Health Sciences Center

INTERNATIONAL

- With the Aurora Rotary Club, sponsored and hosted exchange student, Cecelia Medina, from Brazil for the 2005/2006 academic year
- Provided school supplies for children in Afghanistan through the Pencils for Peace Program
- Purchased a Shelter Box to be used with the earthquake victims in Pakistan
- Provided funding to ChristAid for a project to provide clean water to the village of Kicuna, Uganda
- Provided the opportunity for the Nepalese Climb Team to collect funds for their water project

FUNDRAISING

- Peach Sale
- Car Wash Certificates
